### Media Accreditation

Media accreditation guidelines: for working press only!

Because of limited space and a tremendous increase in the number of requested credentials, the following procedures and guidelines became necessary:

- Please note that we can only accept up to two representatives per magazine (1 editor, 1 photographer).
- Individual photographer or editor applications must be accompanied by a letter of assignment on the letterhead of the assigning media outlet.
- We can only credit internet webpages that are directly involved in sports, skateboarding, lifestyle and music. In addition we only accept one editor per internet mag. Free photos from the event will be available.
- We cannot credit anyone under the age of eighteen (18) years.

Please note that sending this form back does not approve your press pass. We will contact you by email to assure your name is on the press list.
